

Get God 2016 Ideas Page

We want *you* to create your own personalized program. We realize that between work, school and other activities, you have a specific schedule and window of availability. So tell us what you're able to do for you local congregation or community. We're looking for fresh and unique ideas for outreach. (introduce youth and young adults to church, church programs, church activities and camping) Tell us what you would do. Put together a plan for outreach and a commitment to your congregation that will fit into your schedule. The plan should be something that is manageable as a small monthly or weekly youth oriented activity at your church or another place, but it could be 2 or 3 larger scale 'one-off' activities if that works better for you.

Ideas

Lead Yoga or Zumba in your church building once a week or month, free or by donation

Organize a weekly video game night for teens or kids who

Have a weekly music night - jam session, DJ, singing, chanting or other

Start a Community Kitchen - share recipes with the neighborhood, then share your food

Create a walking club or fitness club

Play board games or have a movie night

Get a book club started

Have a fundraiser - is your building in need of something new? Piano, Flooring, Sound System.

Keep a running tab of how you're doing in the front window of your church building.

Still need help? Call or email Debra and together we'll figure out what you do best!
