I care deeply about the church and its mission. I understand the challenges of 'Called to Discipleship,' which calls us to new ministry in our personal and congregational lives, and reaches out in new ways to those who need the message of Jesus Christ.

As part of my commitment to the challenges before us, I would like to make a financial contribution to assist in these ministries. This sacred gift is in addition to what I share each year to support the World Church, my congregation and other church-related activities.

I understand that by signing this form, I am expressing my intent to provide financial support to the ministries of the Canada West Mission Centre. I understand that this commitment can be rescinded, but I will do my best to fulfill it.

I/we commit \$ _____ to the ministries of the _____
Ministry Fund in 2008. Cheques payable to "Community of Christ CWM" can be sent to the address below.
